For security reasons, only one door to the School will be open for visitors and guests. Please enter the building from Fletcher Street, the door closest to University Health Service. We will have someone at that door and directing visitors.

You should also know that parking is at a premium on our campus. However, here are some options:

- Metered street parking near the School
- City of Ann Arbor structures on Forest Street and/or Maynard Street
- Visitor parking section of the Palmer Street structure

Please note that there is NO visitor parking available in the Fletcher Street structure.
